CLERK, U.S. DISTRICT COURT

DEAR MR. DOBBINS,

I the undersigned am writing to you in regards to the filing instructions that I have received. At this time due to my present financial status and the limited time that I am allotted in the law library here at the County Jail in Cook County I was only able to obtain five copies of my 1983 complaint forms and am short a few of the required copies necessary for filing a 1983 claim. Sir I'm requesting that you if at all possible assist me with the copies that I don't have and send me copies back of them and the grievances that I have enclosed. Thank you in advance for your cooperation.

Sincerely, yours
Charles B. Hill Jr.
